- **Be considerate of others and respect the rules of the Conservation Area.** Excessive noise and/or behaviour that may disturb other campers is prohibited. **Abusive or insulting language towards park staff or other persons is NOT tolerated and will result in termination of permit and eviction from the property.**
- Arriving prior to 10:00 pm to set up your campsite is appreciated. Noise from setting up a campsite disturbs other campers during quiet times. If late arrival is necessary, please be respectful and set up quickly and keep noise to a minimum.
- **Alcohol Beverages** - may be consumed at the campsite only. **Alcohol is prohibited in all other areas of the Conservation Area.**
- **Firewood - buy locally and burn on site. Pests in firewood can destroy forests.** Please ensure the firewood you are bringing into the park does not contain invasive insects or diseases. Bagged firewood is available and sold at the park gatehouse. **Removal of dead or live wood from natural areas within the park for use as campfire wood is prohibited.** A charge of \$125.00 will be applied to the campsite permit holder if wood from natural areas is used as campfire fuel.
- **Garbage and cleanliness of campsite** - It is the responsibility of the permit holder to keep the campsite clean at all times. Scattered litter is unacceptable and may result in termination of campsite permit. Garbage left on the campsite overnight will attract unwanted wildlife pests including racoons and skunks. **Campers must dispose campsite waste at the Garbage and Recycling Centre nightly.** A charge of \$125.00 will be applied to the campsite permit holders account if garbage is left on a campsite upon departure.
