

Seasonal Camping at Falls Reserve Conservation Area Payment Schedule and Refund Policy

Seasonal Camping Refund Policy

This policy is intended to maintain good relations with both current and prospective patrons. Our Conservation Area will all adhere to this policy to ensure consistency when providing refunds.

In setting this policy we undertook a thorough comparison of campgrounds province-wide. We have determined that when seasonal campers make their site payment at the beginning of the operating season, they are committing to becoming a "seasonal" camper. These campers then receive competitive rates and special services and privileges within our Conservation Area.

This year, we will not offer any refunds after May 19, 2017. Instead of implementing a complete "zero refund" policy at the park, during the first four weeks of the season customers may request a refund of their seasonal camping fees (minus the daily camping fee for each day since the season began). The Refund Comparison Options chart shows the refund available during this time. After May 19, 2017, there will be no seasonal camping fee refunds under any circumstance. **There will also be NO refunds for other paid seasonal camping services or for additional vehicle passes.**

Please note that the refund policy does not apply to site evictions. NO REFUNDS are available at any time as a result of a seasonal campsite eviction.

How will this affect your trailer and site should you wish to sell your trailer?

If you sell your trailer and the purchaser becomes a new seasonal camper at Falls Reserve, the purchaser will not be charged a seasonal camping fee. A \$200 transfer fee will be applied to the new camper, to enable staff to complete all the tasks associated with the transition. Upon request, your paid seasonal camping services may be transferred to the new camper. Additional vehicle passes and visitor permit cards are non-transferable or refundable and must be returned at the time of the site surrender.

New seasonal camper?

With these changes in our refund policy, we are now offering a reduced fee to new campers joining us on or after July 1, 2017. The Refund Comparison Options chart outlines the new reduced seasonal fee schedule for 2017. **Note: a non-refundable 2% fee will be charged on payments made by Credit Card or debit for reduced seasonal fees.**

If you have any questions about the 2017 Seasonal Camper Refund Policy, please contact our park staff and discuss it with them directly.

Notes:

- Campsite deposit fees are non-refundable.
- Storage fees paid prior to the winter storage season are refundable prior to beginning storage season. **NO REFUNDS** will be issued for storage fees after the storage season begins.
