

FORESTRY SERVICES

2019 Reforestation Application Form

Maitland Conservation's Forestry Services are available to all landowners in the Maitland and Nine Mile River Watersheds. The Reforestation Program provides watershed residents with the ability to plant larger tracts of land through hand or machine planting. As part of this service, Maitland Conservation will:

- Conduct an initial site inspection with the landowner.
- Meet with the approved tree planting contractor to develop the planting plan and species list.
- Source out potential funding for project.
- Conduct an inspection at time of planting and perform follow-up survival assessments.
- Service Fee Costs - \$250 for a small acreage; \$500 for larger land tracts

A pdf version of this form can be downloaded at www.mvca.on.ca. Orders can be placed by sending this form via mail or email. **Note:** A minimum of one acre of land is required for the machine planting service.

Conditions of Ordering:

1. Due to environmental conditions beyond the control of Maitland Conservation, we assume no responsibility for the survival rates of the trees.
2. Applicants will be invoiced **after** trees have been planted.
3. Applicant will refrain from cutting for a period of 15 years except for dead and diseased trees and necessary thinning.
