

## 2021 Seasonal Campsite Payment Schedule & Refund Policy

### Seasonal Campsite Refund Policy:

This policy is intended to maintain good relations with both current and prospective patrons. Our Conservation Area will all adhere to this policy to ensure consistency when providing refunds.

Annually, every returning and new seasonal camper is required to provide a seasonal campsite application, pay a \$200 non-refundable site deposit and provided all required documentation including; camp unit ownership, photo of camp unit and proof of \$2,000,000.00 liability for the camp unit, prior to being accepted as a seasonal camper for the current camping season.

When accepted seasonal campers make their full site payment and complete a Campsite License Agreement at the beginning of the operating season, they are committing to becoming a "seasonal" camper. These campers then receive a competitive reduced rate to camp on a campsite within our Conservation Area for a six (6) month seasonal period.

Once seasonal payment is processed we will not offer any refunds after May 31<sup>st</sup>. Rather than implementing a complete "zero refund" policy. During the first six (6) weeks of the season, campers may request a refund of their seasonal camping fees (minus the daily camping fee for each day since the season began). The Refund Comparison Options chart shows the refund available during this time. After May 31<sup>st</sup>, there will be no seasonal camping fee refunds under any circumstance. There will also be NO refunds for other paid seasonal camping services or for additional vehicle passes.

Please note that the refund policy does not apply to site evictions.

NO REFUNDS are available at any time as a result of a seasonal campsite eviction.

### New Campers:

We are offering a reduced fee to new campers joining us on or after July 6, 2021 based on site availability. The Refund Comparison Options chart outlines the reduced seasonal fee schedule for 2021.

We hope these changes help us to better serve both new and prospective seasonal campers within our CA. If you have any questions about the 2021 Seasonal Camper Refund Policy, please contact our park staff and discuss it with them directly.

### Camp Unit Storage Arrangements:

Campers planning to store their camping unit on the campsite for the winter storage season period must be approved by the Park Superintendent. Once storage of their camp unit is approved, completion of a 6 month storage agreement including storage fee payment is required no later than October 1<sup>st</sup>. Campers storing their camp unit will also be required to pay a non-refundable site deposit for the following camping season to hold a campsite.
